Superior Performance,
Low-Maintenance,
All-Weather Outdoor Furniture

PolyConcepts LLC

PREMIER OUTDOOR LUXURY.

Why Poly Concepts?

Because You Want
The Best Quality with the
Least Maintenance.

Poly Concepts' entire line of outdoor furniture is constructed from Andure®, a specially formulated polypropylene material that provides incomparable performance results to traditional outdoor furniture, which means you can relax more and maintain less.

Because Nobody
Likes to Store their
Outdoor Furniture.

Our furniture is truly an all-weather solution. Rain or shine, snow or ice, our furniture endures all of the elements which means your furniture can stay outdoors 365 days a year. With the substantial weight of our product and unique wind-bearing designs, our furniture is much less likely to tip or blow in the wind.

Because You
Deserve a Warranty
that will Last.

Poly Concepts offers a 10-year residential and commercial warranty from the date of purchase against any defects in the manufacturing and workmanship of the furniture components.

Sustainable Practices

Poly Concepts is committed to offering environmentally responsible products to promote the reusability and recyclability of all of our products.

Our products are 100% recyclable. In fact, material not used in finished product is recycled back into our raw material. We are proud to produce products, using the leanest manufacturing processes and shipping practices that will lead to the sustainability of our number one resource. Our planet.

Poly Concepts furniture is proudly made in the USA.

ANDUREFLEX COLLECTION

UMBRELLA BASES

HARDWARE

Seat lock hardware can be added to the Jefferson collection chairs and benches to prevent simple dismantling.

Ground bolts can be used to secure chairs and benches to cement to prevent them from being moved.

A non-skid base can be added to rockers to prevent the gradual movement and sliding that naturally occurs with rockers on a solid surface.
