

# YOUR SEAT AWAITS

Superior Performance,  
Low-Maintenance,  
All-Weather Outdoor Furniture

**Poly**Concepts<sub>LTC</sub>

# PREMIER OUTDOOR LUXURY.

## Why Poly Concepts?

Because You Want  
The Best Quality with the  
Least Maintenance.

Poly Concepts' entire line of outdoor furniture is constructed from Andure®, a specially formulated polypropylene material that provides incomparable performance results to traditional outdoor furniture, which means you can relax more and maintain less.

Because Nobody  
Likes to Store their  
Outdoor Furniture.

Our furniture is truly an all-weather solution. Rain or shine, snow or ice, our furniture endures all of the elements which means your furniture can stay outdoors 365 days a year. With the substantial weight of our product and unique wind-bearing designs, our furniture is much less likely to tip or blow in the wind.

Because You  
Deserve a Warranty  
that will Last.

Poly Concepts offers a 10-year residential and commercial warranty from the date of purchase against any defects in the manufacturing and workmanship of the furniture components.

## Sustainable Practices

Poly Concepts is committed to offering environmentally responsible products to promote the reusability and recyclability of all of our products.

Our products are 100% recyclable. In fact, material not used in finished product is recycled back into our raw material. We are proud to produce products, using the leanest manufacturing processes and shipping practices that will lead to the sustainability of our number one resource. Our planet.

Poly Concepts furniture is proudly made in the USA.

# ANDUREFLEX<sup>®</sup>

## STACKING CHAIRS

Able to stack four high, our stacking arm chair is made from Andure material, designed to flex with the weight and curves of your body. The arm chair has a flat, gracefully curved arm for optimum comfort and style. A hidden aluminum core and bolt reinforce the joint of the seat and back legs.

### SPECS\*

Name	Style #	Seat			Overall

## MIX AND MATCH

Finish your look by adding customization with mix and match back, seat, and color options. In addition to back and seat style options, you may create a two-toned look by selecting one color for the seat/back, and another color for the frame.

For even more customization, custom decals can be routed into the seatback for a truly unique look.

## FINISHINGS

Add a touch of color with seat and back cushions, available in hundreds of durable Sunbrella Fabrics. Cushions are made specifically for each product line to ensure the best possible fit.

Back Cushion: PCSACB

Seat Cushion: PCSACS

Ground bolts can be used to secure chairs and benches to cement to prevent them from being moved.

## SHIPPING

This product ships fully assembled.

# ANDUREFLEX®

## NON-STACKING CHAIR & ROCKER

The AndureFlex® arm chair and rocker has the same design, comfort and durability as all AndureFlex products. The seat and back flex with the weight of your body and provide comfort without the use of cushions.
